		10-14

2 The remaining land measuring 8 acres and 9 guntas has been layed out into building sites.

3. The Municipality will not get any profit out of 10 acres and 14 guntas of land as they are proposed to be given free of cost to several hostels and -

and educational Institutions and a very samll amount would be realised by selling the remain ing portion which has been layed out into build -ing sites.

The president further states that the Municipality will have to incur a very he vy expenditure for the formation of roads and for providing sanitary water and light ing facilities in that area in addition to the compensation amount of Rs 15000/- already paid.
